

Project update

Congleton town centre improvements

Dear sir / madam,

Plans to change Congleton town centre have been finalised following extensive consultation with the local community. The scheme has started, and will deliver junction improvements and an enhanced town centre environment over the coming months.

Progress report

Completed the laying of new granite kerbs and paving at the south east footway at Market Street.
Completed the new dropped crossing at the south east footway.
Commenced the installation of the new Ribbon paving at Swan Bank

Photo Number 1 shows the new dropped crossing at the south east footway at Market Street.

Photo Number 2 shows the new granite paving and kerb-line at the south east footway at Market Street.

OFFICIAL

Photo number 3 shows the newly laid section ribbon paving at Swan Bank.

OFFICIAL

All works are currently on programme.

Looking ahead

Excavation of the kerb-line & existing footway at the south west corener of Market Street.
Installation of the new electrical ducting.
Pouring the concrete for the new footway foundation.
Taking down the wall at the south east footway.

A road closure at Market Street will be in operation this coming Sunday – 08 October, to enable works to be carried out at this junction, safely.

All roadworks, closures and diversions are displayed on our roadworks map at www.cheshireeast.gov.uk/highways_and_roads/roadworks.

Keeping you informed

Detailed information about the scheme can be found online at www.cheshireeast.gov.uk/highways and live updates from site will be tweeted from @CECHighways, so please give us a follow.

Thank you for your patience whilst these improvements to Congleton town centre are delivered.

Yours faithfully,

Jon Berry
