

## Project update

### Congleton town centre improvements

Dear sir / madam,

Plans to change Congleton town centre have been finalised following extensive consultation with the local community. The scheme has started, and will deliver junction improvements and an enhanced town centre environment over the coming months.

#### Progress report

Continuation of laying new granite paving at the north east footway.  
Continue to pour the concrete foundation for the granite bench.  
Installation of the new cycling racks.  
Pour the concrete foundation for the south east footway.

**Photo Number 1 shows the pouring of a section of the new granite bench concrete foundation.**

**Photo Number 2 shows a section of the new concrete foundation for the granite bench.**

**Photo number 3 shows the newly laid section of the north east footway paving.**

**Photo number 4 shows a new section of granite paving being laid at the north east footway.**

**Photo number 5 shows the new cycle racks in position at the north east footway.**

All works are currently on programme.

### **Looking ahead**

Installation of new granite paving at the south east footway  
Installation of new granite paving on the Duke Street carriageway.  
Installation of new granite paving around the new granite bench.

All roadworks, closures and diversions are displayed on our roadworks map at [www.cheshireeast.gov.uk/highways\\_and\\_roads/roadworks](http://www.cheshireeast.gov.uk/highways_and_roads/roadworks).

### **Keeping you informed**

Detailed information about the scheme can be found online at [www.cheshireeast.gov.uk/highways](http://www.cheshireeast.gov.uk/highways) and live updates from site will be tweeted from @CECHighways, so please give us a follow.

Thank you for your patience whilst these improvements to Congleton town centre are delivered.

Yours faithfully,

Jon Berry  
Project Manager  
Cheshire East Highways
