Congleton town centre improvements

Dear sir / madam,

Plans to change Congleton town centre have been finalised following extensive consultation with the local community. The scheme has started, and will deliver junction improvements and an enhanced town centre environment over the coming months.

Progress report

Market Street/Bridge Street junctions completed (new granite paving and kerb-lines).

Bridge Street carriageway completed (new granite paving and kerb-lines).

Handrail for steps at RBS installed.

Railings for new wall installed.

New yorkstone flags at RBS Bank installed and grouted.

Coping stones on top of new wall installed.

New controlled crossing at Market Street upgraded and operational.

All works are currently on programme.

Looking ahead

Commence the installation of the new granite bench at Swan Bank.
Install the granite paving up to the new granite bench.
Installation of new brass studs at the dropped crossing at Swan Bank.
Grout all remaining granite paved areas of Swan Bank.

No road closure will be in operation this coming Sunday – 12 November, to ensure that the Remembrance Day Parade is not affected or disrupted in any way. A road closure will be in operation at Swan Bank on Sunday 19 November to ensure the safe lifting of part of the granite bench.

All roadworks, closures and diversions are displayed on our roadworks map at www.cheshireeast.gov.uk/highways_and_roads/roadworks.

Keeping you informed

Detailed information about the scheme can be found online at www.cheshireeast.gov.uk/highways and live updates from site will be tweeted from @CECHighways, so please give us a follow.

Thank you for your patience whilst these improvements to Congleton town centre are delivered.

Yours faithfully,
