

## Project update

### Congleton town centre improvements

Dear sir / madam,

Plans to change Congleton town centre have been finalised following extensive consultation with the local community. The scheme has started, and will deliver junction improvements and an enhanced town centre environment over the coming months.

#### Progress report

Laid new granite kerb-line (north section).  
Excavated and concreted new footpath area (Bulls Head to Counting House).  
Excavated 50% of new granite bench foundation.  
Installation of new gullies.  
Re-set the ironwork (stop taps, fire hydrants etc.).  
Commenced the laying of new granite blocks.

**Photo Number 1 shows one of the newly installed gullies.**

**Photo Number 2 shows the excavated area for the new granite bench foundations.**

**Photo number 3 shows the new granite kerb-line (north section) & the excavated and concreted footway area at Swan Bank.**

**Photo number 4 shows the commencement of the laying of the new granite block paving at Swan Bank.**

All works are currently on programme.

### **Looking ahead**

Complete the excavation for new bench foundation.  
Prepare the formwork for the concrete foundation for the new granite bench.  
Complete the laying of the granite kerb-line (south section)  
Continue with the laying of the new granite paving throughout Swan Bank.

All roadworks, closures and diversions are displayed on our roadworks map at [www.cheshireeast.gov.uk/highways\\_and\\_roads/roadworks](http://www.cheshireeast.gov.uk/highways_and_roads/roadworks).

### **Keeping you informed**

Detailed information about the scheme can be found online at [www.cheshireeast.gov.uk/highways](http://www.cheshireeast.gov.uk/highways) and live updates from site will be tweeted from @CECHighways, so please give us a follow.

Thank you for your patience whilst these improvements to Congleton town centre are delivered.

Yours faithfully,

Jon Berry  
Project Manager  
Cheshire East Highways
