

Project update

Congleton town centre improvements

Dear sir / madam,

Plans to change Congleton town centre have been finalised following extensive consultation with the local community. The scheme has started, and will deliver junction improvements and an enhanced town centre environment over the coming months.

Progress report

Installation of new slot drain in the north footway of Bridge Street.

Completion of granite paving on the north footway of Bridge Street from the kerbside to the slot drain.

Installation of transition detail at the top of Victoria Street.

Installation on benches on Victoria Street.

Excavation of the north footway from the new slot drain to the property boundaries (from Crema Deli through to TUI).

Photo number 1 shows the newly installed granite paving at Bridge Street.

Photo number 2 shows the newly installed granite paving on the north footway of Bridge Street – adjacent to the ‘Crema’ deli.

Photo number 3 shows the installation of the benches on Victoria Street.

OFFICIAL

All works are currently on programme.

Looking ahead

Installation of new granite paving on north footway of Bridge Street between new slot drain and property boundaries (from Crema Deli to TUI).

Excavation of the footway and carriageway at the junction of Victoria Street/Bridge Street/Duke Street.

Installation of granite paving in form of a fan pattern at the junction of Victoria Street/Bridge Street/Duke Street.

All roadworks, closures and diversions are displayed on our roadworks map at www.cheshireeast.gov.uk/highways_and_roads/roadworks.

Keeping you informed

Detailed information about the scheme can be found online at www.cheshireeast.gov.uk/highways and live updates from site will be tweeted from @CECHighways, so please give us a follow.

Thank you for your patience whilst these improvements to Congleton town centre are delivered.

Yours faithfully,
