

Project update

Congleton town centre improvements

Dear sir / madam,

Plans to change Congleton town centre have been finalised following extensive consultation with the local community. The scheme has started, and will deliver junction improvements and an enhanced town centre environment over the coming months.

Progress report

Excavation of the existing paving at Victoria Street
Installation of concrete foundation for the new paving.
Continued installation of the granite 'fan detail' paving at Victoria Street (70% completed).
Grouting of this 'fan' paving.
Installation of the final transition detail at Victoria Street/Bridge Street.

Photo number 1 shows the newly installed and grouted 'fan' pattern granite paving at Victoria Street.

Photo number 2 shows the remaining section of Victoria street to have the 'fan pattern' granite paving installed.

OFFICIAL

All works are currently on programme.

Looking ahead

Continue to install the granite paved 'fan' detail at Victoria Street (30% remaining).

All roadworks, closures and diversions are displayed on our roadworks map at www.cheshireeast.gov.uk/highways_and_roads/roadworks.

Keeping you informed

Detailed information about the scheme can be found online at www.cheshireeast.gov.uk/highways and live updates from site will be tweeted from @CECHighways, so please give us a follow.

Thank you for your patience whilst these improvements to Congleton town centre are delivered.

Yours faithfully,

Jon Berry
Project Manager
Cheshire East Highways
