Online link <https://www.whiteribbon.org.uk/ambassadors> - good advice is to remember your password, and check your junk e-mail for information back

2. Makers Market update

The stall at the makers Market was deemed to be a great success and surprised (and saddened) by the local level of interest with regards to the issue. Reference to male support was handled by advising that there is support groups available as per information on White Ribbon Card.

3. Stall on the 23rd November (updated information)

The event runs from 12.00 and finishes at 6.00pm, a gazebo is being sourced as all CTC's are already allocated. The gazebo will be put up for 12.00 and dismantled at 6.00pm - it is currently planned to be next to the Fire Brigade

Requirement to confirm support for the stall as soon as possible – Paul D to contact all councillors and David M to contact staff although most are likely to be involved with the Christmas event.

4. Action Plan

Kay to update and to forward to other members of the group.

5. Date of next meeting

Proposed date of meeting 28th November at 4.00pm
