

**CONGLETON TOWN COUNCIL**  
**COMMITTEE REPORTS AND UPDATES**

<b>COMMITTEE:</b>	<b>Community &amp; Environment</b>		
<b>MEETING DATE AND TIME</b>	<b>3<sup>rd</sup> February 2022 7.00pm</b>	<b>LOCATION</b>	<b>Town Hall</b>
<b>REPORT FROM</b>	<b>J MacArthur - Communities and Marketing Manager and Deputy Chief Officer</b>		
<b>AGENDA ITEM</b>	<b>9</b>		
<b>REPORT TITLE</b>	<b>Updates Paper from previous Community and Environment Committee</b>		
<b>Background</b>	<p>This paper gives Members an update on actions from reports discussed at the previous Community and Environment Committee and are on-going matters which are on the agenda. These items do not need a full paper and are either ongoing issues or confirmation of completion or resolution.</p> <p>The paper is for noting and is an opportunity to feedback on issues from this committee.</p>		
<b>Updates</b>	<p><b>CE/12/2122: Launch of E-learning Course</b> –this course is available to view on the Town Council’s website by clicking on the learn button on the front page. Google analytics have shown that in the 30 days until the 21<sup>st</sup> January (last Congleton Green Working Group Meeting) 1285 people had opened the course, but only 10 had fully registered. More work is taking place on promoting the course and understanding the analytics. All councillors and officers are encouraged to complete the course.</p> <p><b>CE/37/2122: Christmas in Congleton</b> – a successful light switch on was held on the 26<sup>th</sup> November. A further report on improvements and recommendations for 2022 will come to a future Community and Environment Committee meeting.</p> <p><b>CE/38/2122:– Congleton Green Fayre and Climate Festival</b> mentioned bringing a paper on a Citizens’ Assembly for Climate Change – further research is being carried out and it is hoped that a proposal can be brought to the next Community and Environment Committee meeting.</p>		
<b>PROPOSALS</b>	To note the update report.
