Updates	<p>Actions from the meeting - 28th July 2022</p> <p>CE/14/2223 – Congleton Skate Park.</p> <p>Since the presentation by Xander Greenwood, Congleton Town Council has attended a meeting with Cheshire East Council regarding the Skate Park. Cheshire East Council will refurbish the existing Skate Park and Congleton Town Council and Cheshire East Council are working together to find funding for a higher spec park, which would need to be in an alternative location.</p> <p>CE/15/2223 - Food and Friendship in the Town Hall</p> <p>Since the previous Community and Environment Committee, an article about the Food and Friendship offer in the Town Hall was published in the summer edition of Bear Necessities. This led to a number of volunteers coming forward offering to help. Mark's Events is currently training the volunteers with the aim of launching an offer in October.</p> <p>CE/19/2223 – Congleton in Bloom</p> <p>The Community and Environment Committee minutes stated that the minutes of the 9th June would come to this meeting. There were no published notes of the meeting from the 9th June or the July or August meetings, as these were either operational meetings sorting tasks for the judging or the team debrief on the judging days.</p> <p>CE/22/2223 - Update on Chapel House – Known Locally as Moody Hall</p> <p>Requested that the Chief Officer, on behalf of the Town Council, writes to the developer and requests a meeting with themselves and the potential buyer. The Chief Officer has written to the developer and tried to make contact in other ways and is still waiting for a response.</p>
