Please explain what difference the project has made to your organisation/local people:

We were most appreciative of the grant awarded to the Players.

It enabled the costumes for Blackadder to be very realistic, and of the period of the television productions. With this additional money we were able to buy appropriate fabric for the costumes.

This improved the audience's enjoyment of the show, and would hopefully encourage them to go to Daneside theatre again in the future. As they were leaving the theatre many were heard to be saying things like-

"I couldn't believe how good the costumes were" or "the costumes were exactly like the TV series" etc.

Everyone was talking about the show and more often than not about the costumes!
