CONGLETON TOWN COUNCIL

COMMITTEE REPORTS AND UPDATES

MEETING DATE AND TIME 30 TH November 2023 LOCATION Congleton Town Hall REPORT FROM Town Hall Manager – Mark Worthington AGENDA ITEM 8 REPORT TITLE Decarbonisation of Town Hall Decarbonisation of Town Hall Background At the Town Hall, Assets and Services Committee, 28 th September 2023, Cllr Suzy Firkin made a statement under Urgent Items in relatio to the Decarbonisation of the Town Hall. Committee members were informed of the offer of support from Cheshire East Council for a gran application relating to decarbonisation projects highlighted in the Tomson Consulting Decarbonisation report, which was commissioned by Town Council in 2022. It was noted at this stage there was no financial commitment required from the Town Council and minimal officer time required for this application. Update A grant funding application for Phase 3c of the Public Sector Decarbonisation Scheme was submitted on behalf of Congleton Town Council to Salix Finance before the application deadline on Tuesday 10 th October 2023. Salix Finance contacted Town Council on 20 th October with the information that, due to technical issues, applicants were prevented from uploading supporting documentation before the deadline. For this reason Salix Finance were disregarding applications already received and the Application Portal would be re-run with a new deadline. The grant application was re-submitted on behalf of Congleton Town		new deadline.			
The grant application was re-submitted on behan of congleton rown		The grant application was re-submitted on behalf of Congleton Town			
Council before the new deadline of Tuesday 7 th November. Salix		0 11		0	
Finance have confirmed that a grant funding application for Phase 3c				•	
of the Public Sector Decarbonisation Scheme was submitted on behalf			U	0 11	
of Congleton Town Council, for the following value:	owing value.				
£61,802 grant spend in financial year 2024/25		£61,802 grant spend in financial year 2024/25			
£300,000 grant spend in financial year 2025/26		£300,000 grant spend in financial year 2025/26			
On confirmation of a successful grant application, a commitment		On confirmation of a successful grant application, a commitment			
would be required by Town Council to contribute £53,000 in the			-		
delivery of Town Hall decarbonisation projects, in line with the		•	•		

	scheme's criteria. The figure of £53,000 is based on the cost equivalent			
	to replace the gas boilers like for like. As the designated Authorising			
	Official for the grant application the Chief Officer has replied to Salix			
	Finance to confirm all information is accurate and Town Council wishes			
	to move forward with this grant application. Salix representative will			
	contact Town Council Officers while processing the grant application			
	with specific questions about any proposed projects detailed in the			
	Tomson Consulting Decarbonisation Report. Committee members will			
	updated throughout the grant application process.			
Financial	The commitment to the delivery of the project £53,000 could be			
	funded through the Capital Expenditure Ear Marked Reserve subject to			
	approval from the Council			
Environmental	Recommendations made within the Tomson Consulting			
	Decarbonisation report, if fully implemented, are estimated to have			
	the combined impact of reducing:			
	Greenhouse gas emissions by 78.1 tonnes CO2e per year (an			
	83% reduction compared to present)			
	 Operating costs by £13,341 per year at the current tariffs (a 			
	48% reduction compared to present)			
Equality	Where applicable in the procurement of services and the delivery of			
	the project matters relating to equality will be taken into consideration			
Decision	To receive the report relating to the Decarbonisation of the Town Hall			
Request	and for Committee members to recommend to Council the required			
	expenditure of match funding of up to £53,000, should the project			
	progress to the implementation phase, as part of the Salix Finance			
	Phase 3c Public Sector Decarbonisation Scheme grant application.
