<b>Background</b>	<p>Risk Management is an essential part of effective corporate governance. The Council has a statutory duty to have in place arrangements for managing risk as stated in the Accounts and Audit regulations 2015:</p> <p><i>“A relevant authority must ensure that it has a sound system of internal control which ensures that the financial and operational management of the authority is effective and includes effective arrangements for the management of risk”.</i></p> <p>Congleton Town Council acknowledges that it has a responsibility to manage its risks effectively in order to protect its employees, assets, liabilities, and community against potential losses. The Council is aware that not all risks can be eliminated fully, however through correct and careful procedures there will be a focused approach to managing any risks.</p> <p>Congleton Town Council currently adheres to the guidance given by JPAG (Joint panel on Accountability and Governance) in their publication “Governance and Accountability for Smaller Authorities in England” Section 5 for the layout of the Business Risk Assessment. Behind this sits detailed risk assessments for all Streetscape activities, Town Hall activities, Information Centre, Paddling Pool, and events in the town centre.</p>		
<b>Updates</b>	<p>The management team has updated the Business Risk Assessment in its current form for 2024-2025.</p> <p>There have been no updates to the Risk Assessment or to the scores, but a matrix system has now been included and a column added to show the risk based on our scoring system:</p> <p>Risk Matrix: Low (1-2) Green Medium (3-4) Orange High (6-9)Red</p>		
<b>Decision Requested</b>	To approve the Business Risk Assessment for 2024-2025 and to recommend to Council for Approval.
